ICARO CHANDELIER

The chandelier ICARO is an evolution and a tribute to the silk model originally designed by Mariano Fortuny. This extremely elegant and stunning chandelier made in Venice, is a three tiers suspended lamp made of glass fiber and decorated with gold or silver leaf: The glass fiber used by Venetia Studium has a very high strength to weight ratio, making the lamp light, strong, resistant and durable.

This spectacular model create a unique atmosphere, light is indirect and diffused.
