

TRENZSEATER

VINTAGE DE-COLOURISED & PATCHWORK RUGS

The TRENZSEATER collection of Vintage Decolourised and Patchwork rugs offer authentic, traditional antique rugs that have undergone a decolouration process and subsequent monochromatic re-dyeing that gives a consistent colour to the rug offering a more edgy finish yet the resemblance of the old vintage rug still remains. This collection of rugs are hand knotted, no two rugs are the same and due to the dyeing process each rug takes on a different hue and effect giving the over dyed rug unique shading and tones. (Please note rugs pictured are not necessarily in stock and are an indication of style only.)
