A table with a strongly industrial look signed by Francesco Rota is added to the wide collection of Desalto tables. The strong character and generous dimensions make it particularly suitable for contract projects or for homes with an international and metropolitan feel.

Available models

Table made up of a high-strength steel supporting beam with a micaceous lacquered H-shaped profile. Legs with steel structure covered with a hexagonal section brass tube cover. Supports for the top in lasered steel tube, welded to the beam. Top in 12 mm tempered mirrored glass, or in 20 mm thick MDF in hand-spatulated cement.
